the court may not enter a default judgment for the contesting party unless proof of service on the counsel for the personal representative is made to the court. Provides for an enforcement action against a person who does not comply with a fiduciary's demand or instruction. Allows a court to award attorney's fees and costs in certain enforcement proceedings. Provides that payments on liens paid with respect to a probate distribution are charged to the beneficiaries of the distribution unless the will provides expressly or by necessary implication that the payment be charged against the residue of the estate. Provides that if trust property subject to a lien is specifically distributable, the distributee shall take the property subject to the lien unless the terms of the trust provide expressly or by necessary implication that the lien be otherwise paid. Provides that an asset becomes subject to a trust on the date the asset is distributed to the trust from the decedent's estate: (1) if the income received during the administration of the estate was accounted for and distributed by the estate as part of the corpus of the estate; and (2) unless the will or other applicable law provides that income received during the estate administration is accounted for and distributed by the estate as income and not as part of the corpus of the estate. Specifies that provisions that determine the period in which an income beneficiary is entitled or eligible to receive net income of a trust do not control how receipts and disbursements are allocated to or between principal and income during that period. Specifies that provisions regarding which income receipts and disbursements of a trust are to be taken into account in determining the net income of the trust for the period after the beginning and before the end of a beneficiary's income interest do not control the initial classification of receipts and disbursements as between principal and income. Defines the following for purposes of the trust code: (1) "Trust instrument". (2) "Terms of a trust", "terms of the trust", or "terms of a charitable trust". (1) A fiduciary shall administer a trust or estate in accordance with the terms of the trust or the will, even if there is a different provision in this chapter.

(2) A fiduciary may administer a trust or estate by the exercise of a discretionary power of administration given to the fiduciary by the terms of the trust or the will, even if the exercise of the power produces a result different from a result required or permitted by this chapter. An inference that the fiduciary has improperly exercised the discretion does not arise from the fact that the fiduciary has made or has not made an allocation contrary to a provision of this chapter.

(3) A fiduciary shall administer a trust ~~or an estate~~ in accordance with this chapter if the terms of the trust ~~or the will~~ do not contain a different provision or do not give the fiduciary a discretionary power of administration.

(b) In exercising the power to adjust under section 15 of this chapter or a discretionary power of administration regarding a matter within the scope of this chapter, whether granted by the terms of a trust, a will, or this chapter, a fiduciary shall administer a trust or an estate impartially, based on what is fair and reasonable to all of the beneficiaries, except to the extent that the terms of the trust or the will clearly manifest an intention that the fiduciary shall or may favor one (1) or more of the beneficiaries. A determination in accordance with this chapter is presumed to be fair and reasonable to all of the beneficiaries.

SECTION 13. IC 30-2-14-18, AS AMENDED BY P.L.61-2006, SECTION 6, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 18. **(a)** After an income interest in a trust ends, the following rules apply:

(1) A fiduciary of a terminating income interest shall determine the amount of net income and net principal receipts received from property specifically given to a beneficiary under the rules in sections 20 through 43 of this chapter that apply to trustees and the rules in subdivision (5). The fiduciary shall distribute the net income and net principal receipts to the beneficiary who is to receive the specific property.

(2) A fiduciary shall determine the remaining net income of a terminating income interest under the rules in sections 20 through 43 of this chapter that apply to trustees and by:

(A) including in net income all income from property used to discharge liabilities;

(B) paying from income or principal, in the fiduciary's discretion:

(i) fees of attorneys, accountants, and fiduciaries;

(ii) court costs and other expenses of administration; and

(iii) interest on death taxes;

but the fiduciary may pay those expenses from income of property passing to a trust for which the fiduciary claims an estate tax marital or charitable deduction only to the extent that the payment of those expenses from income will not cause

the reduction or loss of the deduction; and

(C) paying from principal all other disbursements made or incurred in connection with the winding up of a terminating income interest, including debts; funeral expenses; disposition of remains; family allowances; and death taxes and related penalties that are apportioned to the terminating income interest by the terms of the trust or applicable law.

(3) If a beneficiary is to receive a pecuniary amount outright from a trust after an income interest ends and no interest or other amount is provided for by the terms of the trust or applicable law, the fiduciary shall distribute the interest or other amount to which the beneficiary would be entitled under applicable law if the pecuniary amount were required to be paid under a will.

(4) A fiduciary shall distribute the net income remaining after distributions required by subdivision (3) in the manner described in section 19 of this chapter to all residuary beneficiaries, even if the beneficiary holds an unqualified power to withdraw assets from the trust or other presently exercisable general power of appointment over the trust.

(5) A fiduciary may not reduce principal or income receipts from property described in subdivision (1) because of a payment described in section 38 or 39 of this chapter to the extent that the ~~will, the~~ terms of the trust or applicable law requires the fiduciary to make the payment from assets other than the property or to the extent that the fiduciary recovers or expects to recover the payment from a third party. The net income and principal receipts from the property are determined by:

(A) including all of the amounts the fiduciary receives or pays with respect to the property, whether those amounts

(i) accrued or became due before, on, or after the date of an individual's death; or

(ii) an income interest's terminating event; and

(B) making a reasonable provision for amounts that the fiduciary believes the terminating income interest may become obligated to pay after the property is distributed.

(b) For purposes of this section, the interest of a settlor in a revocable living trust ends and becomes a terminating income interest when the settlor dies. Property that:

(1) becomes part of the trust by reason of the settlor's death;
or

(2) is distributed to the trust from the settlor's estate;
becomes part of the terminating income interest when the property

1 is received by the trust.

2 (c) For purposes of this section, a decedent's estate is not a
3 terminating income interest.

4 SECTION 14. IC 30-2-14-19 IS AMENDED TO READ AS
5 FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 19. (a) Each
6 beneficiary described in section ~~18(4)~~ **18(a)(4)** of this chapter is
7 entitled to receive a portion of the net income equal to the beneficiary's
8 fractional interest in undistributed principal assets, using values as of
9 the distribution date. If a fiduciary makes more than one (1)
10 distribution of assets to beneficiaries to whom this section applies, each
11 beneficiary, including a beneficiary who does not receive part of the
12 distribution, is entitled, as of each distribution date, to the net income
13 the fiduciary has received after the date of death or terminating event
14 or earlier distribution date but has not distributed as of the current
15 distribution date.

16 (b) In determining a beneficiary's share of net income, the following
17 rules apply:

18 (1) The beneficiary is entitled to receive a portion of the net
19 income equal to the beneficiary's fractional interest in the
20 undistributed principal assets immediately before the distribution
21 date, including assets that later may be sold to meet principal
22 obligations.

23 (2) The beneficiary's fractional interest in the undistributed
24 principal assets must be calculated without regard to property
25 specifically given to a beneficiary and property required to pay
26 pecuniary amounts not in trust.

27 (3) The beneficiary's fractional interest in the undistributed
28 principal assets must be calculated on the basis of the aggregate
29 value of those assets as of the distribution date without reducing
30 the value by any unpaid principal obligation.

31 (4) The distribution date for purposes of this section may be the
32 date as of which the fiduciary calculates the value of the assets if
33 that date is reasonably near the date on which assets are actually
34 distributed.

35 (c) If a fiduciary does not distribute all of the collected but
36 undistributed net income to each person as of a distribution date, the
37 fiduciary shall maintain appropriate records showing the interest of
38 each beneficiary in that net income.

39 (d) A fiduciary may apply the rules in this section, to the extent that
40 the fiduciary considers it appropriate, to net gain or loss realized after
41 the date of death or terminating event or earlier distribution date from
42 the disposition of a principal asset if this section applies to the income

1 from the asset.

2 SECTION 15. IC 30-2-14-20 IS AMENDED TO READ AS
3 FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 20. (a) An income
4 beneficiary is entitled to net income from the date on which the income
5 interest begins. An income interest begins on the date specified in the
6 terms of the trust or, if no date is specified, on the date an asset
7 becomes subject to a trust or successive income interest.

8 (b) An asset becomes subject to a trust **on the following dates:**

9 (1) On the date ~~it the asset~~ is transferred to the trust, in the case
10 of an asset that is transferred to a trust during the transferor's life.

11 **(2) On the date the asset is distributed to the trust from the**
12 **decedent's estate, if the income received during the**
13 **administration of the estate was accounted for and distributed**
14 **by the estate as part of the corpus of the estate in accordance**
15 **with IC 29-1-17-7.**

16 ~~(2) (3)~~ On the date of a ~~testator's~~ **the decedent's** death ~~in the case~~
17 ~~of an asset that becomes subject to a trust by reason of a will,~~
18 ~~even if there is an intervening period of if, under the terms of~~
19 ~~the decedent's will or other applicable law, income received~~
20 ~~during administration of the testator's decedent's estate or was~~
21 ~~accounted for and distributed by the estate as income, and not~~
22 ~~as part of the corpus of the estate.~~

23 ~~(3) (4)~~ On the date of an individual's death, in the case of an asset
24 **that is not part of the probate estate (as defined in**
25 **IC 29-1-1-3) and** that is transferred to a ~~fiduciary by a third party~~
26 **trust or becomes a part of a trust** because of the individual's
27 death.

28 (c) An asset becomes subject to a successive income interest on the
29 day after the preceding income interest ends, as determined under
30 subsection (d), even if there is an intervening period of administration
31 to wind up the preceding income interest.

32 (d) An income interest ends on the day before an income beneficiary
33 dies or another terminating event occurs, or on the last day of a period
34 during which there is no beneficiary to whom a trustee may distribute
35 income.

36 (e) **This section applies only for purposes of determining the**
37 **period in which an income beneficiary is entitled or eligible to**
38 **receive any net income of a trust. This section does not control how**
39 **receipts and disbursements are allocated to or between principal**
40 **and income during that period. Amounts received by a trust from**
41 **a decedent's estate or another trust as a distribution of principal**
42 **may be allocable to principal under section 24 of this chapter even**

1 to the extent the amounts received include income of the
 2 distributing estate or trust received or accrued after the
 3 beneficiary's income interest begins.

4 SECTION 16. IC 30-2-14-21 IS AMENDED TO READ AS
 5 FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 21. (a) A trustee shall
 6 allocate an income receipt or disbursement other than one to which
 7 section ~~18(1)~~ **18(a)(1)** of this chapter applies to principal if its due date
 8 occurs before:

9 (1) an individual dies in the case of an estate; or

10 (2) an income interest begins in the case of a trust or successive
 11 income interest.

12 (b) A trustee shall allocate an income receipt or disbursement to
 13 income if its due date occurs on or after the date on which an individual
 14 dies or an income interest begins and it is a periodic due date. An
 15 income receipt or disbursement must be treated as accruing from day
 16 to day if its due date is not periodic or it has no due date. The portion
 17 of the receipt or disbursement accruing before the date on which an
 18 individual dies or an income interest begins must be allocated to
 19 principal, and the balance must be allocated to income.

20 (c) An item of income or an obligation is due on the date the payer
 21 is required to make a payment. If a payment date is not stated, there is
 22 no due date for the purposes of this chapter. Distributions to
 23 shareholders or other owners from an entity to which section 23 of this
 24 chapter applies are considered to be due on:

25 (1) the date fixed by the entity for determining who is entitled to
 26 receive the distribution; or

27 (2) if no date is fixed, the declaration date for the distribution.

28 A due date is periodic for receipts or disbursements that must be paid
 29 at regular intervals under a lease or an obligation to pay interest or if an
 30 entity customarily makes distributions at regular intervals.

31 **(d) This section applies only for purposes of determining which**
 32 **income receipts and disbursements of a trust are to be taken into**
 33 **account in determining the net income of the trust for the period**
 34 **after the beginning and before the end of a beneficiary's income**
 35 **interest. Although this section provides for certain income receipts**
 36 **and disbursements to be allocated to principal, this section does not**
 37 **control the initial classification of receipts and disbursements as**
 38 **between principal and income. Amounts received by a trust from**
 39 **a decedent's estate or another trust as a distribution of principal**
 40 **may be allocable to principal under section 24 of this chapter, even**
 41 **to the extent the amounts received include income receipts of the**
 42 **distributing estate or trust received or accrued after the**

beneficiary's income interest begins.

(B) with respect to heirship, relationship, survivorship, or any other issue relative to determining a trust beneficiary.

SECTION 22. IC 30-4-3-36, AS ADDED BY P.L.6-2010, SECTION 19, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 36. (a) Unless a trust expressly provides otherwise, a trustee who has ~~absolute power~~ **discretion** under the terms of a trust (referred to in this section as the "first trust") to invade the principal of the trust to make distributions to or for the benefit of one (1) or more persons may instead exercise the power by appointing all or part of the principal of the first trust in favor of a trustee of another trust (referred to in this section as the "second trust") for the benefit of one (1) or more persons under the same trust instrument or under a different trust instrument as long as:

(1) the beneficiaries of the second trust are the same as the beneficiaries of the first trust;

(2) the second trust does not reduce any income, annuity, or unitrust interest in the assets of the first trust; and

(3) if any contributions to the first trust qualified for a marital or charitable deduction for purposes of the federal income, gift, or estate taxes, the second trust does not contain any provision that, if included in the first trust, would have prevented the first trust from qualifying for a deduction or reduced the amount of a deduction.

(b) For purposes of this section, an absolute power to invade principal includes a power to invade principal that is not limited to specific or ascertainable purposes, such as health, education, maintenance, and support regardless of whether the term "absolute" is

1 ~~used:~~

2 ~~(e)~~ **(b)** The exercise of a power to invade principal under subsection
3 (a) must be by an instrument that is:

4 (1) in writing;

5 (2) signed and acknowledged by the trustee; and

6 (3) filed with the records of the first trust.

7 ~~(d)~~ **(c)** The exercise of a power to invade principal under subsection
8 (a) is considered the exercise of a power of appointment, other than a
9 power to appoint to the trustee, the trustee's creditors, the trustee's
10 estate, or the creditors of the trustee's estate. The exercise of the power
11 does not extend the time at which the permissible period of the rule
12 against perpetuities begins and the law that determines the permissible
13 period of the rule against perpetuities of the first trust.

14 ~~(e)~~ **(d)** The trustee shall notify in writing all qualified beneficiaries
15 of the first trust at least sixty (60) days before the effective date of the
16 trustee's exercise of the power to invade principal under subsection (a)
17 of the manner in which the trustee intends to exercise the power. A
18 copy of the proposed instrument exercising the power satisfies the
19 trustee's notice obligation under this subsection. If all qualified
20 beneficiaries waive the notice period by signed written instrument
21 delivered to the trustee, the trustee's power to invade principal may be
22 exercised immediately. The trustee's notice under this subsection does
23 not limit the right of any beneficiary to object to the exercise of the
24 trustee's power to invade principal, except as otherwise provided by
25 this article.

26 ~~(f)~~ **(e)** The exercise of the power to invade principal under
27 subsection (a) is not prohibited by a spendthrift clause or by a provision
28 in the trust instrument that prohibits amending or revoking the trust.

29 ~~(g)~~ **(f)** This section is not intended to create or imply a duty to
30 exercise a power to invade principal. No inference of impropriety may
31 be made as a result of a trustee not exercising the power to invade
32 principal conferred under subsection (a).

33 ~~(h)~~ **(g)** This section may not be construed to abridge the right of any
34 trustee who has a power of invasion to appoint property in further trust
35 that arises under the terms of the first trust, under any other provision
36 of this article or any other statute, or under common law.

37 SECTION 23. IC 30-4-3.5-2 IS AMENDED TO READ AS
38 FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 2. (a) A trustee shall
39 invest and manage trust assets as a prudent investor would, by
40 considering the purposes, terms **of the trust**, distribution requirements,
41 and other circumstances of the trust. In satisfying this standard, the
42 trustee shall exercise reasonable care, skill, and caution.

(b) A trustee's investment and management decisions respecting individual assets must be evaluated not in isolation but in the context of the trust portfolio as a whole and as a part of an overall investment strategy having risk and return objectives reasonably suited to the trust.

(c) Among circumstances that a trustee shall consider in investing and managing trust assets are those of the following that are relevant to the trust or its beneficiaries:

(1) General economic conditions.

(2) The possible effect of inflation or deflation.

(3) The expected tax consequences of investment decisions or strategies.

(4) The role that each investment or course of action plays within the overall trust portfolio, which may include financial assets, interests in closely held enterprises, tangible and intangible personal property, and real property.

(5) The expected total return from income and the appreciation of capital.

(6) Other resources of the beneficiaries.

(7) Needs for liquidity, regularity of income, and preservation or appreciation of capital.

(8) An asset's special relationship or special value, if any, to the purposes of the trust or to one (1) or more of the beneficiaries.

(d) A trustee shall make a reasonable effort to verify facts relevant to the investment and management of trust assets.

(e) A trustee may invest in any kind of property or type of investment consistent with the standards of this chapter.

(f) A trustee who has special skills or expertise, or is named trustee in reliance upon the trustee's representation that the trustee has special skills or expertise, has a duty to use the special skills or expertise.

SECTION 24. IC 30-4-3.5-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 4. Within a reasonable time after accepting a trusteeship or receiving trust assets, a trustee shall review the trust assets and make and implement decisions concerning the retention and disposition of assets in order to bring the trust portfolio into compliance with the purposes, terms **of the trust**, distribution requirements, and other circumstances of the trust, and with the requirements of this chapter.

- 19 estate; and
- 20 (9) the business addresses, if any, or the residence addresses of all
- 21 the trustees.
- 22 (b) The court may, either on petition or on its own motion, require

- 26 of other proof.
- 27 SECTION 26. IC 30-4-6-14, AS ADDED BY P.L.238-2005,

(a) If an agreement between the owner and a transferring entity is required to carry out a transfer on death transfer as described in section 7 of this chapter, a transferring entity may not adopt rules for the making, execution, acceptance, and revocation of a beneficiary designation that are inconsistent with this chapter.

(b) The following rules apply to a beneficiary designation:

(3) A beneficiary designation may designate one (1) or more primary beneficiaries and one (1) or more contingent beneficiaries.

(4) On property registered in beneficiary form, a primary beneficiary is the person shown immediately following the transfer on death direction. Words indicating that the person is a primary beneficiary are not required. The name of a contingent

beneficiary in the registration must have the words "contingent beneficiary" or words of similar meaning to indicate the contingent nature of the interest being transferred.

(5) Multiple surviving beneficiaries share equally in the property being transferred unless a different percentage or fractional share is stated for each beneficiary. If a percentage or fractional share is designated for multiple beneficiaries, the surviving beneficiaries share in the proportion that their designated shares bear to each other.

(7) A transfer on death transfer of property also transfers any interest, rent, royalties, earnings, dividends, or credits earned or declared on the property but not paid or credited before the owner's death.

(8) If a distribution by a transferring entity under a transfer on death transfer results in fractional shares in a security or other property that is not divisible, the transferring entity may distribute the fractional shares in the name of all beneficiaries as tenants in common or as the beneficiaries may direct, or the transferring entity may sell the property that is not divisible and distribute the proceeds to the beneficiaries in the proportions to which they are entitled.

(9) On the death of the owner, the property, minus all amounts and charges owed by the owner to the transferring entity, belongs to the surviving beneficiaries and, in the case of substitute beneficiaries permitted under section 22 of this chapter, the lineal descendants of designated beneficiaries who did not survive the owner are entitled to the property as follows:

(A) If there are multiple primary beneficiaries and a primary beneficiary does not survive the owner and does not have a substitute under section 22 of this chapter, the share of the nonsurviving beneficiary is allocated among the surviving beneficiaries in the proportion that their shares bear to each other.

(B) If there are no surviving primary beneficiaries and there are no substitutes for the nonsurviving primary beneficiaries under section 22 of this chapter, the property belongs to the surviving contingent beneficiaries in equal shares or according to the percentages or fractional shares stated in the

- 1 registration.
- 2 (C) If there are multiple contingent beneficiaries and a
- 3 contingent beneficiary does not survive the owner and does not

- 22 twelve (12) months after the owner's death that there are lineal
- 23 descendants of a nonsurviving beneficiary for whom LDPS
- 24 distribution applies who survived the owner, the transferring
- 25 entity may make the transfer as if the nonsurviving beneficiary's
- 26 descendants also failed to survive the owner.
- 27 (13) If a beneficiary cannot be located at the time the transfer is
- 28 made to located beneficiaries, the transferring entity shall hold the
- 29 missing beneficiary's share. If the missing beneficiary's share is
- 30 not claimed by the beneficiary or by the beneficiary's personal
- 31 representative or successor during the twelve (12) months after
- 32 the owner's death, the transferring entity shall transfer the share
- 33 as if the beneficiary did not survive the owner.
- 34 (14) A transferring entity has no obligation to attempt to locate a
- 35 missing beneficiary, to pay interest on the share held for a missing
- 36 beneficiary, or to invest the share in any different property.
- 37 (15) Cash, interest, rent, royalties, earnings, or dividends payable
- 38 to a missing beneficiary may be held by the transferring entity at
- 39 interest or reinvested by the transferring entity in the account or
- 40 in a dividend reinvestment account associated with a security held
- 41 for the missing beneficiary.
- 42 (16) If a transferring entity is required to make a transfer on death

transfer to a minor or an incapacitated adult, the transfer may be made under the Indiana Uniform Transfers to Minors Act, the Indiana Uniform Custodial Trust Act, or a similar law of another state.

(17) A written request for the execution of a transfer on death transfer may be made by any beneficiary, a beneficiary's legal representative or attorney in fact, or the owner's personal representative.

(18) A transfer under a transfer on death deed occurs automatically upon the owner's death subject to the requirements of subdivision (20) and does not require a request for the execution of the transfer.

(19) A written request for the execution of a transfer on death transfer must be accompanied by the following:

(A) A certificate or instrument evidencing ownership of the contract, account, security, or property.

(B) Proof of the deaths of the owner and any nonsurviving beneficiary.

(D) In the case of a request by a legal representative, a copy of the instrument creating the legal authority or a certified copy of the court order appointing the legal representative.

(E) Any other proof of the person's entitlement that the transferring entity may require.

(20) On the death of an owner whose transfer on death deed has been recorded, the beneficiary shall file an affidavit in the office of the recorder of the county in which the real property is located. The affidavit must be endorsed by the county auditor under IC 36-2-11-14 in order to be recorded. The affidavit must contain the following:

(A) The legal description of the property.

~~(B) A certified copy of the death certificate certifying the owner's death.~~

(E) A cross-reference to the recorded transfer on death deed.

(c) A beneficiary designation is presumed to be valid. A party may

1 rely on the presumption of validity unless the party has actual
2 knowledge that the beneficiary designation was not validly executed.
3 A person who acts in good faith reliance on a transfer on death deed is
4 immune from liability to the same extent as if the person had dealt
5 directly with the named owner and the named owner had been
6 competent and not incapacitated.
